FAQ

1. What's your MOQ?

Normally our MOQ is 1pc, but sometimes maybe we have other order on hand, it will be a little small. So MOQ can be negotiated.

2. Are you a trading company?

We do trade. Also we have our real factory, and our factory has passed ISO-9001, we have good quality control.

3. Do you accept customized?

Yes, we have different customers make their own OEM product. So we also can make product as per your requirement.

4. How long can I expect to receive my goods after I place order?

Our production time is always 20-25 days after pre-production sample confirmation.

5. Can I get some samples before place order and how long for a sample?

No. Because our product is big and high price.

6. How is your shipping?

- 1) shipping by express (sample order) or by sea (bulk order)
- 2) worldwide shipping service available
- 3) please contact before order as shipping cost varies time to time.

7. Will you have some discount?

- 1) To clients who bring repeat orders and large orders
- 2) Please contact us for Better Quote.

Any other questions please do not hesitate to contact us anytime!
